FOR IMMEDIATE RELEASE  
January 1, 2021

### ***TLM Vortex Series 2021***

Twisted Liquid Marine is proud to announce our new Vortex Series of bare hull minis. After many years and inquiries for bare hull options, we are finally doing it. Our Vortex Series is geared for the budget conscious buyer and those who want to build their own rig from a brand-new foundation. These boats come from the same molds and use the same construction process as our flagship TLM models. We just leave the finish work up to you.

#### **Stage I – Bare Hull \$4495**

- Hand laminated hull and deck
- White gel coat finish

#### **Stage II - \$5995**

- Includes all Stage I, plus:
- Full floor
- Flotation foam
- Rub rail
- Helm (single cable rack or rotary)
- Garboard drain(s)

#### **Stage III – Quote**

- Custom Colors
- Custom interior
- Gauge package

The following models will be available under the Vortex banner – Channel Kat, Twister I & II, Cyclone, Typhoon, Monsoon, Tempest, and the complete Aqua Lark Series. More options to be added later.

All interested parties can learn more about the all-new Vortex Series by contacting Twisted Liquid Marine. For pricing, build questions or to place an order, please contact Geoff Archer at [twisted@TwistedLiquidMarine.com](mailto:twisted@TwistedLiquidMarine.com) 888-521-4626.
